

GKM-recruitment AG

Corporate Profile

2011

GKM-recruitment AG – Facts and figures

- Established in 2005
- Head office in Nuremberg, Germany
- Branch offices in Aachen, Munich, Hamburg, Nuremberg and Stuttgart
- Service provider in the personnel recruitment and consultancy sector
- Current workforce: 15 partners and staff

GKM-recruitment AG – What we do

- HR recruitment services for companies
- One-off jobs (individualised profile searches) through to long-term projects and responsibilities (HR recruitment – out-tasking)
- Individualised searches and extensive HR advertising campaigns (placing “print & online” advertisements / development and implementation)
- Advising companies on their employer branding and implementing jointly developed concepts
- Personnel placement as a result of targeted search projects for highly skilled supervisory functions and executive-level appointments (direct search)

GKM-recruitment AG – Our expertise

- Many years of experience in executive search and in recruiting highly qualified staff in various sectors
- Our own highly trained team of advisors and consultants with extensive experience in personnel search and consultancy
- Our own excellent infrastructure for searches and consultancy projects for our clients
- Extensive partnerships in technology and systems such as Stepstone, Monster, XING or Experteer and other recruiting systems
- As a result, our own highly developed expertise in the design and realisation of sophisticated HR recruitment measures and campaigns
- A strong service and customer focus

GKM-recruitment AG – What sets us apart

- We undertake individualised consulting and direct search only where it really makes sense to do so, both in terms of the investment involved and in getting just the right specialist for the job.
- When we say service we mean service. The process must be the optimum balance between price and performance.
- Thanks to our search infrastructure, our technology, and our access to all major recruiting systems, our clients do not have to make any additional investments of their own.
- We make technology, manpower and skills available and invoice on a time and material basis.
- Our blend of direct search and service offers financial efficiency and an optimum outcome, to realise your HR recruitment requirements.

GKM-recruitment AG – Talk to us

- We remain available at all times for a consultation. Let us outline the possibilities we see for your company.
- We are responsive to your requirements and will work with you to draft the ideal concept.
- Present yourself to the market in the form that is best and most practicable for you. We will help you to do this.
